

If there's only one bike to ride
We can take turns, you and I
If we both want to go on the slide
We can take turns, you and I

You can go first, you can go first
You can go first, you can go first
You can go first, you can go first
You can go first, you can go first

This one belongs to me
I'd like to share it with you
These were given to me
I'd like to give one to you

So you have one too, you have one too
You have one too, you have one too
You have one too, you have one too
You have one too, you have one too

If I have a book to read
You can ask me if you may (May I?)
If I have something you need
You can ask me if you may (May I?)

I'll share it with you, I'll share it with you
I'll share it with you, I'll share it with you
I'll share it with you, I'll share it with you
I'll share it with you, I'll share it with you
