

Zoroastrianism

This religion was founded by a Persian prophet called Zoroaster, about 2600 years ago. Zoroaster tried to teach people, as all the Divine educators did, that we need to believe in one Almighty God, and not to worship idols or other spirits.

At the centre of this religion there is a Fire Temple with a very sacred flame which was never allowed to go out.

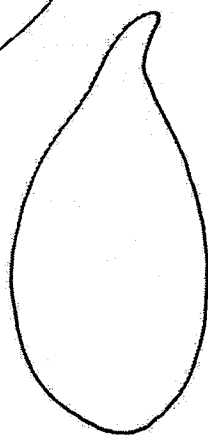

INSTRUCTION SHEET "ZOROASTER"

- Photocopy onto yellow or white BLM1. 1x per child.

**BOWL
TEMPLATE**
cut out one per
