

# Children's Classes

“Regard man as a mine rich in gems of inestimable value. Education can, alone, cause it to reveal its treasures, and enable mankind to benefit there from.”

*Bahá'u'lláh*

The aim of the children's class program is to help children apply spiritual principles—such as love, unity, and justice—to their own lives and in their relationships with their family, friends, and community.

Drawing on the teachings of the Bahá'í Faith, short lessons, storytelling, games, music, and arts and crafts are built into the activities to allow children to learn in a variety of ways.
