God's love is always with us. He will never leave us alone and promises to help us throughout our lives. The gifts and bounties of God are all around no matter what's happening in our lives. This means we can be hopeful when thinking about the future, confident that we will receive a share of His infinite blessings. With hearts full of hope, we constantly anticipate the outpouring of God's bounties upon us.

"Be thou ever hopeful, for the bounties of God never cease to flow upon man."
